## ‘HIDALGO 200’ RESERVA

MANZANILLA  
LA GITANA

### DETAILS OF PRODUCTION

Hidalgo 200 was created to mark the 200th anniversary of the family business. The solera system used was established 110 years ago. Denominación de Origen: Brandy de Jerez, Sherry Brandy, comes exclusively from the Sherry District. The brandy is obtained from grape distillate and then aged in century-old barrels of American oak for three years. The casks have previously been used in the ageing of Pedro Ximénez and Oloroso Sherries, which ensure that the brandy gains exceptional smoothness with ageing. The ageing system used is known as the Solera system (fractional blending), which consists of a continuous mix of young brandies with older ones resulting in a brandy of consistent quality.

### TASTING NOTES

Amber colour with hues of dark wood. Intense aromas of toast and almonds, with a touch of spicy clove. Dry with comforting warmth, showing the complexity and depth of a classic Brandy de Jerez.

### HOW TO SERVE

Serve in a traditional brandy glass at room temperature. An excellent after dinner drink or night cap.

**VINTAGE**  
NV

**STYLE**  
Brandy De Jerez
