## 20 YEAR OLD TERRANTEZ

### DETAILS OF PRODUCTION

Madeira is a fortified wine that depends upon heat and evaporation to create consistent long lasting styles. The Canteiro process is employed for all 10, 15 and 20 year old Madeiras from H&H where the wine is heated naturally in barrels over some months to enhance concentration and consistency of the wine. Terrantez produces a rich sweet style whilst still exhibiting delicious mouthwatering acidity.

### TASTING NOTES

A gold color with greenish nuances. Aromas of dried fruits including raisins, hazelnuts and some wood. Medium dry style, complex, with hints of bitter almond, dried fruits, spices, green pepper and some wood. Tannins and acidity in good balance.

### HOW TO SERVE

Drink on its own after a meal or with soft cheese platters with roasted nuts and fig paste.
