

BODEGAS HIDALGO-LA GITANA
SANLÚCAR DE BARRAMEDA, SPAIN

'HIDALGO 200' GRAN RESERVA

DETAILS OF PRODUCTION

Hidalgo 200 was created to mark the 200th anniversary of the family business. The solera system used was established 110 years ago. Denominación de Origen: Brandy de Jerez, Sherry Brandy, comes exclusively from the Sherry District, and the production and ageing of the Sherry Brandy follow the traditional methods of the region. The brandy is obtained from grape distillate and then aged in century-old barrels of American oak for a minimum of five years. The casks have previously been used in the ageing of Pedro Ximénez and Oloroso Sherries, which ensure that the brandy gains character as it continues to extract components from the wood, giving it its amber colour, pleasing aromas and warmth. The Holandas are carefully chosen, ensuring that they are of the highest quality.

TASTING NOTES

Beautiful orange colour. A generous opening bouquet of nougat and cake frosting, with more profound aromas of dark caramel, roasted almonds, oloroso Sherry and rancio. On the palate, white raisins, orange rind and oak resin. The finish is manageably sweet.

HOW TO SERVE

Serve in a traditional brandy glass at room temperature. An excellent after dinner drink or night cap.
