## GRENACHE

### DETAILS OF PRODUCTION

Turkey Flat has more than 25 years of experience in making Grenache. The fruit for this wine was predominantly sourced from 98-year-old Grenache vines grown on the Turkey Flat Vineyard. These spur pruned, old vines produce low yields of fantastically concentrated fruit, creating a style of Grenache which Turkey Flat has become famous for. Mark Bulman has made Grenache his signature varietal after taking over full control of winemaking at Turkey Flat in 2010. Under his direction this remains respectful to our past tradition of making Grenache into a fine wine, while moving seamlessly into a more refined, contemporary style. The wine was fermented with 15% whole bunch with half the remaining stems also included in the ferment. Maturation took place in a combination of neutral oak Foudre (12 months) and neutral oak puncheons. The 2019 growing season was long, hot and dry leading to a slightly early, low yielding vintage. The wines from the 2019 vintage are fruit rich, well coloured and of substance. The vintage will be remembered for producing wines that reflect the generosity for which has made the Barossa famous.

### TASTING NOTES

The 2019 vintage shows beautiful floral and spiced aromatics, bright fruit that fills out into more complex spiced and savoury characteristics, and strong tannins that will ensure longevity.

### HOW TO SERVE

Look to Grenache's origins of Spain, Italy & Southern France for food pairing inspiration; tapas, lamb and tomato-rich dishes. Also pairs exceptionally well with steak when the wine has been aged (cellar for up to 10 years) or Cool just slightly on hot summer's day for a refreshing alternative.
