VIGNOBLES & CRÉMANTS DE LOIRE

Depuis 1885

LOIRE VALLEY, FRANCE - LANGLOIS-CHATEAU

The harvest for our Crémant de Loire began on September 15th with Pinot Noir. Then we continued with Chardonnay on the 22nd & 23rd of September, and with Cabernet Franc from the 23rd of September to the 3rd of October. Then we completed with Chenin from September 25th to October 9th. Last but not least are the grapes going into the Coteaux de Saumur, from October 29th onwards, with selective rounds to allow an optimum maturity.

Overall yields are slightly lower than expected with the exception of Sancerre. We are particularly low on Chardonnay and Cabernet Franc (20% to 30% down from the usual yields). However, quality wise, it is perfect: ripe, healthy, fairly concentrated, beautiful material, in short a very good potential!
