## BAROSSA VALLEY, SOUTH AUSTRALIA – TURKEY FLAT VINEYARDS

The 2015 vintage will be remembered for the earliest start in our 26 year history, beginning on Tuesday 3rd February with a 4am harvest of Marsanne from our Stonewell vineyard.

A dry end to winter as well as a warm start to spring brought forward both budburst and flowering delivering a vintage a month ahead of schedule. A cool, but dry January allowed flavours to develop evenly and earlier than average, with varieties and vineyards ripening collectively.

Staying a step ahead of the February heatwave was to be the defining factor this year. Quality is high and the balance of flavour is superb. 2015 will be a truly memorable vintage.
