# CROFT PINK & TONIC

## DETAILS OF PRODUCTION

Croft, founded in 1588, is the oldest company that still remains active as a Port wine producer. The Croft family, originally wine merchants in York, played an important and prominent role in the history of the Port wine trade. Croft Port is renowned above all for its vintage ports and its range of wood aged reserves and tawnies, time-honoured styles refined by skill and experience passed down the generations.

Original, unique and innovative, croft pink was the first-ever rosé port. The Croft Pink & Tonic is presented in a practical, convenient, 100% recyclable, and elegant 250ml can. It's designed to be easy to transport and to chill, being perfect for enjoying in a moment of relaxation, at home or outdoors, in the countryside or on the beach, with friends and family.

## TASTING NOTES

The original Croft Pink with vibrant flavours of ripe strawberry, raspberry, cherry and citrus mixed with tonic water. It has lovely nuances of honey and grapefruit, with a dry and attractive finish.

## HOW TO SERVE

Serve chilled, on ice or on the go, directly from the can.

*“THE NOSE IS REALLY INVITING AND A LOT OF FUN. VERY PLEASANT, APEROL-LIKE CHARACTER. NICE MANDARIN PEEL NOTE. VERY DIFFERENT, MIXER RTD STYLE. VERY LIKEABLE.  
REALLY LOVELY ON THE NOSE; FRUITY AND FRESH AND NICELY BALANCED ON THE PALATE.”*
