

# PINOT MEUNIER ROSÉ PLOT 4

## Exton Park Vineyard, Hampshire, England

extonparkvineyard.com

First planted in 2003, Exton Park was founded by Malcolm Isaac MBE, the pioneer of the UK salad industry. It was his vision to establish one of the leading English sparkling wine producers in a Hampshire valley that he had been farming for decades. To do this, Malcolm knew he needed the very best ingredients.

### DETAILS OF PRODUCTION

As one of the biggest unsung heroes of the winemaking world, Pinot Meunier lacks the global fame of Chardonnay and Pinot Noir, largely due to its reputation as a great blending variety. In the right expert hands, it's possible to get so much more out of Pinot Meunier, especially when grown on the chalky slopes of Exton Park.

### TASTING NOTES

Made from 100% Pinot Meunier picked from our meticulously trained fourth plot, this delicate wine combines a complex, developed nose with subtle oriental characteristics. The palette offers incredible intricacy and remarkable purity, with freshly cut flowers, white peach and bright tangerine notes.

### HOW TO SERVE

As an aperitif, this wine excels when paired with lightly smoked trout or lovingly cured jamón ibérico. The wine's subtle hint of spice also marries well with Middle-Eastern cuisine.

*"This is one of my greatest achievements, a 25 year labour of love to craft a glorious pure Pinot Meunier wine."*

*Corinne Seely, Head Winemaker.*
