

RESERVE BLEND DEMI SEC

Exton Park Vineyard, Hampshire, England

extonparkvineyard.com

First planted in 2003, Exton Park was founded by Malcolm Isaac MBE, the pioneer of the UK salad industry. It was his vision to establish one of the leading English sparkling wine producers in a Hampshire valley that he had been farming for decades. To do this, Malcolm knew he needed the very best ingredients.

DETAILS OF PRODUCTION

Contains our oldest reserve wine. Aged in bottle for the longest of any Reserve Blend. This elegant blend is the sweeter alternative to our classic Brut.

Made from 60% Pinot Noir and 40% Chardonnay, this is a completely new style from Exton Park to broaden pairing possibilities and drinking occasions

TASTING NOTES

Bottle aged in our cellars for at least 3 years, this elegant blend offers a lychee, mango and orange blossom aroma with a pear and honey finish.

HOW TO SERVE

This sweeter Reserve Blend pairs beautifully with desserts and afternoon tea.

“Our characteristic house style offers a freshness and precision that is very popular with our restaurant partners. By request, we have made a fresh style with a touch of sweetness so Exton Park can be paired across every course.”
